SNERRO & company are retiring from the scoring of races. All their equipment including the clocks, cones and van will be for sale. Please contact any club officer and we can put you in touch with Tony Sabilia for more details. We will greatly miss all those great guys and gals in their bright orange shirts and black pants. They were really professional and anyone will be very hard pressed to ever come up with a bunch of dedicated people such as they are. We will miss each one of you.

MANY THANKS TO JACK CURRAN and a bunch of other dedicated people in the club including ; PHIL DOYLE, WALT SMOLENSKI, LYNN WISNEWSKI and others for donating your time to help organise the team races. Hopefully in the new year more will come forward to run and help out especially the ladies.

THANK YOU WALT THOMA for running off countless newsletters for us. We really do appreciate your dedication to the club. Also to Walt Smokenski for all the mailing labels. Not forgetting Debbie Deveau for typing the newsletters. (not the last two as you can tell) Last but not least to the past President JIM BUTLER. THANKS JIM for being our president the last two years. We appreciate all that you did in our name and the leadership you showed. Also to our fine treasurer DON LEWIS who will once handle the purse. Not Forgetting BOB Carbray who will be starting his 13th year as our club secretary. BOB is perhaps by far the most dedicated and,hardest working member of the club. His job never ends. He is truly the back-bone of the club and activities.

Some ladies uniforms are available from DON LEWIS at cost. These are tops both the old style and the new mesh top. See Don at 442 -6148

club. The rest seem to be members in name only. Please take more interest in your club. 1987 promises to be the best one yet. If we all get together we can have the teams we should have, and maybe soon we can get a sponsor too/ to help with expenses.

=====
CLUB DUES FOR 1987 have been increased to \$ 5.00 for the first family member and 50¢ for each additional family member residing in the SAME household. We felt that it was necessary to increase the dues this year as most clubs charge far more than \$ 5 per member.

CLUB INIFORMS:: There is some re-newed interest in getting the running tops and shorts. We have decided to order them ourselves. If you are interested in a set or a top or pair of shorts please contact DON LEWIS at 442 6148 and we will see if it is feasible to order a few dozen sets to start with.

=====
LICENCE PLATES

MOGEGAN STRIDER plates are available at \$6.00 each. They are brown and white and have the running indian on it. They are a very good value and excellent advertisement for our club. Contact DON LEWIS at 442-6148

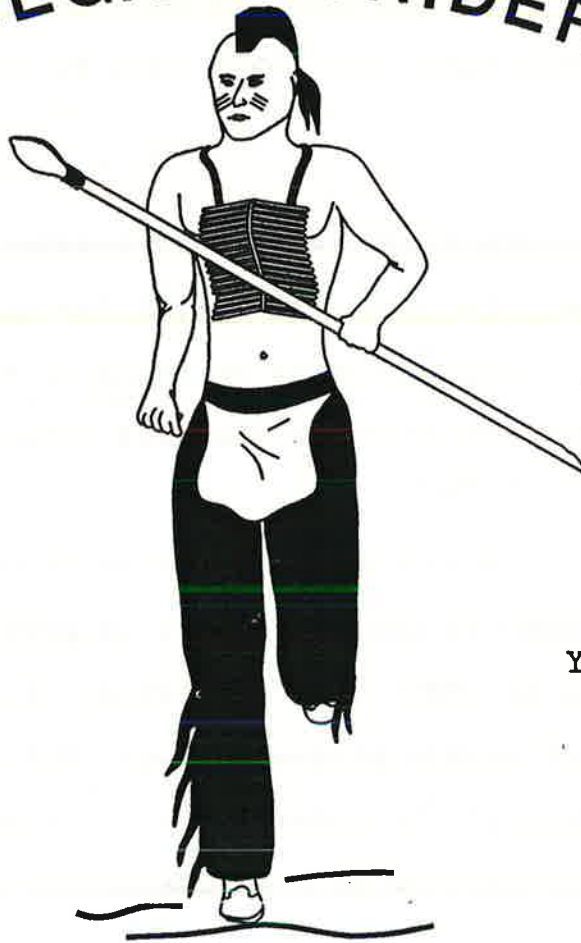

=====
HATS

We have brown and white Strider hats at \$ 3.50 each. Guess who you see to get one?? JIM BUTLER 443-7437

DECALS

These decals look great in any car or truck window and stay on for years. Quite a few left. We are asking for a donation of anything over \$1.00 each for them with all profit going to the racing teams. See BOB CARBRAY

CLUB MEETING HELD IN NOVEMBER

Few attended. The same loyal club members that usually attend did. It was a sorry turn out for a club the size of ours. Much more participation is needed. We can always count on the same members over and over to support the
